

OUR FUTURE HOME

ARCHANGEL MICHAEL GREEK ORTHODOX CHURCH

Our parish is purchasing 4925 List Drive, a multi-acre property in the heart of Colorado Springs, with views of Pikes Peak to the west and scenic cliffs to the east. These renderings are the proposed architectural drafts.

DEVELOPMENT PLAN

- **Traditional Byzantine temple with seating for nearly 300 parishioners**
- **Spacious, light-filled hall for celebrations, an expanded bookstore, & meeting rooms**
- **Large commercial kitchen**
- **Playground for our children, grandchildren, and generations to come!**

The above image depicts our to-be-built temple (right) and parish hall (existing building). The right image depicts the interior of our future hall, which will serve as a temporary church.

DONATE TODAY!

MOVING IN TO OUR NEW HOME

We will transform the property's existing building into a beautiful space with plenty of room to serve as both a hall and the temporary church. During this phase, the nave will be separated from the hall by movable partitions. Our temporary church will seat many more parishioners.

The left and center images above show the iconostasis and temporary nave; the right image shows the hall with movable partitions between the nave and the hall.

LAYING A FOUNDATION FOR THE FUTURE

In the next phase, we plan to build a beautiful new church on our land—a lasting home for generations of Orthodox Christians. After completion, the current building will become our full-time hall.

Our Building Committee and architectural design team are ready to go with plans for the entire project.

**WITH YOUR GENEROUS SUPPORT, WE
CAN BRING OUR PLAN TO LIFE!**
